BIMOX-2022, AN EXCLUSIVE B2B AND B2C PLATFORM FOR THE EXHIBITORS:

BIMOX- 2022 aimed to extend a platform for your organization to come in front of the decision makers that source billions of dollars in commercial building products for their plans and multiple projects. Exhibiting at these exhibition will generate an opportunity for the exhibitors to engage in discussions one-on-one, demonstrate and introduce their products & solutions in an interactive manner. Engagement of international exhibitors from potential Export Zones of Bangladesh may lead good opportunity for our construction players to reach beyond domestic peripheral. Moreover, this Exhibition will build attendance through 360 degree marketing campaigns that creates millions of advertising impressions in print, direct mail, email, electronic media and so on.

OBJECTIVE OF BIMOX SHOW 2019:

- Promoted safe & sustainable products and value-added services as preferred choice for Marine and offshore industry in Bangladesh.
- Engaged roll out innovations and new technologies for domestic market.
- Explored opportunities for the foreign exhibitors to penetrate with their solutions in the Bangladesh market. Moreover, energizing economic potentials vis-à-vis foreign currency earnings.
- Created awareness among future engineers, policy makers about innovation & technological advancement in the maritime industry.
- Created a platform for technology exchange and unveiling opportunities of business for the exhibitors.
- Provided a platform for all the stakeholders related to Marine and offshore industry so as to showcase their smart products.
- Engaged industry experts and clients to discuss the next generation solutions.
- Initiated a strategic relationship and partnership with key industry players, foreign buyers and solution providers and policy makers.
